## Market Title, LLC

Assessment Period October 1, 2018 – December 31, 2018

We have reviewed management's assertion that the above-named company's (the "Company") title insurance and settlement practices, as of and for the assessment period noted above, comply in all material respects with the American Land Title Association ("ALTA") Best Practices Framework. The Company's management is responsible for its practices and for its responses to its assessment procedures.

Our review was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's assertion. Accordingly, we do not express such an opinion. Additionally, our review was not designed to evaluate whether the aforementioned practices operated effectively to ensure compliance with the federal and state consumer financial laws or to evaluate the extent to which the Company or its employees have complied with federal or state laws, and we do not express an opinion or any other form of assurance thereon.

ALTA's Best Practices Framework includes:

1. Licensing
2. Escrow Accounting Procedures
3. Privacy and Information Security
4. Settlement Procedures
5. Title Policy Production and Delivery
6. Professional Liability Insurance Coverage
7. Consumer Complaints

Based on our review, nothing came to our attention that caused us to believe that management's assertion referred to above is not fairly stated, in all material respects, based on the ALTA criteria.\*
